Natural Resources Committee Tour of Clackamas Cove with Cascade Environmental Group, LLC

John Runyon of Cascade Environmental Group LLC led a tour to discuss habitat restoration feasibility options for Clackamas Cove.

This tour was open to the public. The tour met at the parking lot adjacent to the Clackamas River Trailhead near the Cove on Main Street at 6:30 p.m. and lasted approximately two hours. Due to ongoing grading and site preparation activities associated with the Cove redevelopment project, the tour was limited to sites that were publicly accessible.

Approximately 15 members of the public were in attendance including five NRC members. No decisions were made.

2. Adjourn
