Amy suggested the CIC send the neighborhood association postcard to TVNA informing them that the presentation on a land use issue in their neighborhood would be occurring at the June CIC meeting.

Tom suggested identifying that the neighborhood association had no officers on the postcard and an invitation to discuss the vacancies at that same CIC meeting.

The group discussed the CIC spending TV funds and the process to find replacement officers for TV.

Tom made a motion to have CIC send out the postcards to TV which passed. Amy will design the flier and work with Katie Durfee to send it out.
