SUBJECT: STAFF LIAISON UPDATES

1. **Ice Storm 2021 - Resources and Information** The recent ice storm has caused significant damage throughout the city. City crews have been working 24/7 to clear roads and remove dangerous debris. The resource page has updated information on tree and debris management and other community resources. We are all in this together, be a good neighbor and check on the welfare of others. We want to thank all of our community members who are offering to help friends and neighbors experiencing hardship.

2. **Inactive Neighborhood Association Letters**
   Letters to residents located in inactive/not currently meeting neighborhood association boundaries were mailed the first week of February. If you are having conversations with friends interested in helping to reform neighborhood associations – please send them to Bob jeanbob06@comcast.net or Christina crobertson@orcity.org for more information.

   The following was added to the city's monthly e-newsletter & social media posts (https://www.orcity.org/subscribe). It will remain on the e-newsletter for the 1st half of 2021 if space allows. Feel free to re-purpose to use with your community contacts/newsletters**.**

   Are you looking to be more involved in your community?

   Both active and inactive neighborhood associations are looking for a diverse range of residents who want to help make their community a better place to live. Check out the **neighborhood associations page** on the city website to find your neighborhood association contacts. If you reside in an inactive neighborhood, contact Bob LaSalle, Citizen Involvement Committee Chair jeanbob06@comcast.net, or Christina Robertson-Gardiner, CIC staff liaison crobertson@orcity.org to learn how you can help re-form your neighborhood association.

3. Please encourage neighborhood association members to sign up for the *Trail News Monthly E-newsletter* https://www.orcity.org/subscribe. The E-newsletter provides up-to-date information on city resources and programs.

4. **How Do I Learn About Development Applications in the City?**
   For those interested in keeping up with the latest development applications in the city, there are two great ways to get the information. Please pass this information on to your contact list as appropriate for your organization.

a. Click on the development tab at the bottom of www.orcity.org. This action will take you to a page that lists all noticed land use applications and city capital improvement projects. They are sorted by year.

b. Subscribe to a weekly land use notice list at <https://www.orcity.org/subscribe>. (Under Community/Public Information on Main Page) Enter your email, and you will receive a weekly roundup of all land use applications noticed or updated that week in the city. The neighborhood box at the bottom is for city projects and land use applications that are located within a specific neighborhood association boundary. We are beta testing the neighborhood subscription option-so; please let me know if you have any issues.

5. **Public Records Request**
   Are you scheduling a neighborhood meeting with a developer and want to review the pre-application materials before you meet? You can request a copy of the application materials and staff notes through the online public records request process on the city's website. https://www.orcity.org/cityrecorder/public-records-request-policy-and-form.
