Winter Weather Response Plan

Winter isn't over yet, and the City is ready to respond to inclement weather. In the event of winter weather that could impact travel, Public Works vehicles are equipped with snowplows, sanders, de-icer applicators for use in our Winter Response Plan. Our Snow Routes Map is used to prioritize response routes and can be viewed on our [website](#).

Tree Of Heaven: What you can do about this toxic, invasive species

"Tree of Heaven" (*Ailanthus altissima*) may sound innocent or enticing, but don't be fooled. This tree is toxic, invasive, and listed on Oregon City's Nuisance Plant List. Trees of Heaven can grow 100 feet tall, send up shoots 50 feet from base, drop 300,000 seeds in a year, kill nearby plants, cause human health issues, and crack building foundations. They also harbor lanternflies, which destroy local agriculture. Oregon City's tree code allows Trees of Heaven to be removed without a permit in most cases. The Clackamas Soil & Water Conservation District [website](#) has excellent resources on how to identify and remove Trees of Heaven and manage infestations.

Volunteer Opportunities For Native Tree Plantings

This February the Greater Oregon City Watershed Council is hosting 4 opportunities for volunteers to help plant new native plantings along the shores of Singer Creek. From 10am – 1pm volunteers will be instructed on how to properly install plants and have the opportunity to plant multiple native species and learn about the benefits of increasing native habitat! You have the opportunity to join on any Saturday morning in February starting the 4th through the 11th, 18th and 25th. Please register beforehand at <https://www.gocwc.org/plant-a-tree-with-gocwc/>.

GENERAL FAQs

- 1. Postcard and Neighborhood Association Page Updates.** Please send any changes in positions, meeting dates or minutes to upload/revise or postcard requests directly to me at crobertson@orcity.org. If I am on vacation and it is time-sensitive, feel free to email the Planner on Duty at

planning@orccity.org and ask them to update the page or get the postcard OK to Buels. If you would like to just link to your own Neighborhood Association webpage- that works too!- just make sure to send new contact information to me as I keep the master contact list.

- 2. How to Prepare and Mail Neighborhood Association Postcards.** Please review the link at <https://www.orcity.org/bc-cic/how-prepare-and-mail-neighborhood-association-postcards> to refresh yourself with how the city currently contracts and routes neighborhood association postcards.

3. 4. How Do I Learn About Development Applications in the City?

For those interested in keeping up with the latest development applications in the city, there are two great ways to get the information. Please pass this information on to your contact list as appropriate for your organization.

- a. Click on the development tab at the bottom of www.orcity.org. This action will take you to a page that lists all noticed land use applications and city capital improvement projects. They are sorted by year.
- b. Subscribe to a weekly land use notice list at <https://www.orcity.org/subscribe>. (Under Community/Public Information on Main Page) Enter your email, and you will receive a weekly roundup of all land use applications noticed or with updated information on the project page that week. The neighborhood box at the bottom is for city projects and land use applications that are located within a specific neighborhood association boundary.

5. Public Records Request

Are you scheduling a neighborhood meeting with a developer and want to review the pre-application materials before you meet, or are just interesting in pre-application conferences in your Neighborhood? You can request a copy of the application materials and staff notes through the online public records request process on the city's website www.orcity.org/cityrecorder . **If you would like to a copy of all pre-application conferences in your neighborhood just provide the date range in your public records request.**
